Information for High Skilled Foreign Professionals

Semboku City is a tourist destination where rich nature and historical culture harmonize

The city is full of charm in four seasons, such as Lake Tazawa, the deepest lake in Japan, Kakunodate's samurai residences, and the famous hot springs of Nyuto Onsen Village and Tamagawa Onsen.

Semboku City, designated as a "National Strategic Special Zone," is working to solve local issues using digital technology, aiming to become the city ranked No.1 in Japan for happiness.

To enable High Skilled Foreign Professionals to play an active role, we have set up a consultation desk and provide support to companies accepting international personnel. We are promoting the creation of an environment where people can work and live with peace of mind.

Expand your career in Semboku City

A place to create the future together

<https://www.city.semboku.akita.jp/>

WELCOME MESSAGE

Semboku City has a wonderful environment owing to abundant nature such as Lake Tazawa and ski resorts, historical buildings such as Samurai Residences, and convenience to go to Tokyo. Furthermore, as it is the northernmost National Strategic Special Zone in Honshu, Japan, you can take advantage of the deregulation menu. As an SDGs future city, we aim to be the No.1 city in the country in terms of happiness, leaving no one behind.

I believe that our environments are great to be active, not only for business person in Japan but also for business person around the world. This is a great place where you can enjoy swimming in the lake in the summer, skiing in the winter, and experiencing traditional culture on holidays.

We hope that you refer to this leaflet and plan to start your career in our city. Please come visit Semboku City and experience its possibilities. Semboku City is looking forward to your visit!

The Mayor of Semboku City
Taguchi Tomoaki
